Exposure to second-hand smoke, also known as passive smoking, increases the risk of lung cancer, heart disease and other illnesses. Ventilation or separating smokers and non-smokers within the same airspace does not completely stop potentially dangerous exposure.

Accordingly, smoking is banned both within the hall and the confines of any external doorway.

Non-smoking signs indicate these areas.

These Conditions of Let shall apply to all let(s) made under Bookings dated on or after December 01, 2022.

CONDITIONS OF LET
APPENDIX 1 - HALL FACILITIES

The parts of the Hall available to let pursuant to Clause 1.1 are as set out below.

MAIN HALL

The Main Hall has a floor area of 10x15m. It is ideal for large meetings, small dance functions or as an entertainment venue (drama etc.). For meetings and seated entertainment, up to 150 persons can be accommodated, while for dances, 100 persons can be seated using rectangular tables (each seating 8-10) with the stage set up, leaving a dance floor area of about 5x12m. There are numerous 13amp power points around the walls for the Hirer to install any required electrical equipment (including that required by bands). The stage can accommodate up to a 6 piece band with equipment. The door behind the stage leads to a room and toilet that can be used as a changing room for entertainers.

SMALL HALL

The Small Hall has its own separate entrance from the hallway. It is suitable for most local organization meetings and activities. It has an area of 7.5x7.5m. For meetings, seating can be arranged for up to 60 persons. Where tables are used some 50 persons can be accommodated.

BOTH HALLS

The Main and Small Halls are separated by a sliding partition. When pulled back the resultant Both Halls are ideal for the larger function. For meetings/seated entertainment 170 persons can be accommodated while for dance functions some 150 persons can be seated at tables. These numbers would be reduced somewhat (by 10-20) when the Small Hall is also set up with tables for food or drink.

COMMISSIONER'S ROOM

Situated on the mezzanine floor adjacent to the library, this room is set up with a central oak table and chairs for up to 15 persons. It is essentially usable for committee meetings or local government surgeries etc. There are a number of power points available allowing the use of such equipment as computers, projectors, and mobile hearing loop.

OTHER FACILITIES

The let of each of part of the Hall includes use of the kitchen (unless there is a conflict between Hirers requiring access to the kitchen - for example where being used as a bar by a Hirer), toilets and car park, together with all CBH equipment such as:

- 20 tables with covers, each sitting 8;
- 180 stackable chairs, 50 fixed chairs and 12 comfortable chairs for disabled use;
- 100 champagne flutes and wine, half pint, and pint glasses;
- Crockery and cutlery for 100 for 3 course meal; plus
- PA system, loop system, ceiling decoration lights and a piano (see Clause 1.2).

There are separate entrances to the kitchen from the Main and Small Halls. Kitchen equipment extends to sink, cooker and storage areas with crockery and cutlery. There is a gent's toilet and a separate disabled toilet on the ground floor and a ladies toilet on the mezzanine floor. The car park has spaces for 20 cars (and disabled parking space). There are cloakroom facilities on the mezzanine floor and, if required, the let can be extended to include the Commissioner's Room as a cloakroom.

For private bookings using the table covers, glasses, crockery or cutlery, a deposit of £100 will normally be required to cover breakages, extra cleaning etc. The deposit will be returned after the event when all items have been satisfactorily checked.

NOTE ON NUMBERS OF PERSONS

The above quoted numbers of persons are the maximum CBH recommends for a comfortable and enjoyable function. **Please note** with respect to our Public Entertainment Licence the maximum persons permitted in the premises at any one time should not exceed 170.
